

## INVITED LECTURES

(Partial List)

I	<b>Boiler Corrosion</b> <b>Shri R.Sivasubramanian</b> Manager, Plant Laboratory, Bharat Heavy Electricals Ltd., (BHEL) Trichy
II	<b>Rail Corrosion</b> <b>Dr.G.Narayanan</b> Principal Chief Engineer, Southern Railway , Chennai
III	<b>Materials Selection Philosophy for Process Plant Equipments Handling Corrosive Fluids</b> <b>Shri M. Suresh</b> Joint General Manager, Research & Development, Larsen & Toubro Limited, Mumbai
IV	<b>Studies on the Effect of Fatigue Load on Pitting Corrosion in Aluminium Alloys using a Probabilitistic Model</b> <b>Dr.Nagesh R. Iyer</b> Director, Structural Engineering Research Centre, Chennai
V	<b>Cathodic Protection</b> <b>Shri Narendra Kumar</b> General Manager (O&M) & OIC ,GAIL (India) Ltd., Vijaypur
VI	<b>Overview of Corrosion Protection Techniques in Automotive Industry</b> <b>Sri.S.Ravishankar</b> General Manager, Materials Engineering Department, Ashok Leyland Ltd. Chennai
VII	<b>Development of a Methodology to Predict Corrosion Rate of Stainless Steel from Measurement of Operating Potential in Nitric Acid</b> <b>Dr.Vivekanand Kain</b> Head, Corrosion Science Section, Materials Science Division, Babha Atomic Research Centre, Mumbai
VIII	<b>Corrosion Aspects during Welding of Corrosion Resistant Alloys</b> <b>Dr. V. R. Krishnan</b> General Manager, SMMS, Engineers India Limited , New Delhi
